Dear Ms Wragg

Authorised Entity for First Aid Training

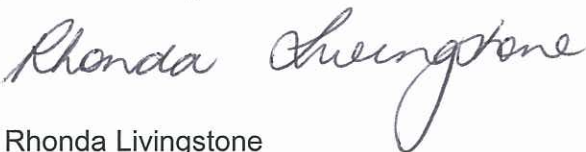

I refer to your letter of 11 October 2005 regarding approval to be an authorised entity under section 121 of the *Child Care Regulation 2003*.

The information you have provided to the chief executive indicates that training is conducted to an acceptable standard as required under s121(4) of the Regulation.

I therefore approve Emergency First Response, under s121(3) of the Regulation as an authorised entity for conducting senior first aid and cardiopulmonary resuscitation. This information will be added to our website as soon as possible.

If you require further information please contact Sarah Swain, Manager, Legislation Unit, on (07) 3405 6442.

Yours sincerely
